- 11:03 The Union Steward, with or without the employee present, will attempt to adjust the grievance with the supervisor before it is given to the supervisor in writing.
- 11:04 If the grievance is not adjusted by the supervisor, it shall be reduced in writing on an employee grievance form provided by the University and signed by the employee involved. The supervisor shall give their answer in writing to the Union Steward without undue delay, but not later than five (5) working days after the grievance has been presented in writing.

The parties shall meet to discuss any such grievance within ten (10) working days of receipt of the grievance, then either party may notify the other party in writing within a further period of five (5) working days that it intends to proceed to arbitration. The notice of intention to proceed to arbitration shall contain the details of the grievance,

a statement of the matter in dispute and a statement of the relief sought from an arbitration board or arbitrator under Article 12:06.

11:08 In the case of an employee being discharged, the employee may submit a grievance in writing, signed by the employee, on a grievance form supplied by the University of Toronto to the Executive Director of Labour Relations within five (5) working days of discharge. The notice to proceed to arbitration shall contain the details of the grievance, a statement of the matter in dispute, a statement of the actual remedy sought by the party from the arbitrator, and the name and address of the party's nominee as arbitrator.

12:03 The party who receives the notice of intention to proceed to arbitration shall then notify the other party of the name and address of the party's selection of an arbitrator within fifteen (15) working days after receiving the notice. If the parties are unable to agree upon the selection of an arbitrator within a period of fifteen (15) working days either party shall then have the right to request the Ministry of Labour for Ontario to appoint an arbitrator

The two (2) nominees shall attempt to select a chairperson

for the board. If they are unable to agree upon the selection within a further period of ten (10) working days after the appointment of the second nominee, either of the parties shall then have the right to request the Minister of Labour to appoint a chairperson for the board.

12:09 The decision of the arbitrator shall be final and binding upon the parties. Where a grievance is referred to a Board of Arbitration in accordance with article 12.06, the decision shall be unanimous or one reached by a majority of the members of the board; provided, however, that if there is no majority decision of the members of the board, then the decision of the Chairperson shall constitute the final and binding decision of the board. In addition, a board of arbitration shall be bound by articles 12:07 - 12:10 in the same manner as a sole arbitrator.

12:10 Time limits set forth in the grievance or arbitration procedures may be extended by mutual agreement in writing between the parties hereto.

The percentage of overtime and shift premiums as applied to vacation will be calculated on a fortnightly basis and paid along with regular earnings.

Vacation pay will be prorated in the event an employee has received payment under Long Term Disability or in the event Workplace Safety and Insurance claims exceed fifteen (15) consecutive weeks. Vacation payments will also be prorated in the event an employee has been granted an unpaid leave of absence in accordance with Article 18:01.

23:02 An employee with the prior approval of their supervisor shall be permitted to carry forward into the next vacation year up to five (5) unused vacation days. Approval to carry forward vacation must be obtained by the employee not later March 30th of each year. Approval shall not be unreasonably withheld.

23:03 The Employer shall post vacation schedules by April 15 of each year, and thereafter such schedules shall not be changed unless mutually agreed to by the employee and the Employer.

The choice of vacation period will be given to employees according to seniority in their classification. Employees wishing to split vacation in prime time (July 1 to September 15) may do so, but can only exercise their seniority for one (1) period. Requests for vacation period shall not be unreasonably withheld. However, the Employer reserves the authority to designate vacation periods in a manner consistent with efficient operations of the plant.

23:04 If a paid holiday falls during an employee's vacation, an extra day with pay will be allowed off in lieu of the holiday.

23.05 Effective November 1, 2015 the University will reduce the payment that is provided to employees who, when they cease employment, have accumulated (that is, earned but not taken) approved vacation. The reduction will be as follows:

- for those with at least 20 days annual vacation entitlement, a reduction of 5 days; and,
- for those with at least 25 days annual vacation entitlement, a reduction of 6 days.

ARTICLE 24: SICK LEAVE

Definition

24:01 Sick leave is defined as absence because of an employee's illness or injury not incurred in the performance of regular duties, or absence because of quarantine through exposure to contagious disease, or because of an accident for which compensation under the *Workplace Safety and Insurance Act* is not payable. The purpose of the Sick Leave Plan is to provide against loss of earnings for University employees who are prevented by sickness or accident from performing their regular duties.

Basis of Leave

24:02 All full-time employees upon completion of sixty (60) working days shall be eligible to be granted sick leave with pay for periods of up to fifteen (15) weeks during unavoidable absence due to illness or injury not compensable under the provisions of the *Workplace Safety and Insurance Act*.

In the event of a recurrence of an illness or injury within three (3) months of a return to work following the most recent absence, such recurrence shall be deemed to be a continuation of the original illness or injury for the purpose of sick leave pay. In the event of a recurrence of an illness or injury beyond three (3) months of a return to work following the most recent absence such recurrence shall be deemed to be a new illness or injury.

24:03 In each calendar year commencing May 1st, sick leave with pay will be granted in accordance with the following provisions: After the third (3rd) period of absence due to illness, no pay will be granted for the first one (1) day of sick leave absence. After the fourth (4th) period of absence due to illness, no pay will be granted for the first two (2) days of sick leave absence. After the fifth (5th) or any subsequent period of absence due to illness, no pay will be granted for the first three (3) days of sick leave absence.

24:04 Article 24:03 shall not apply in the first (1st) occurrence in the event an employee is absent due to an accident or an injury requiring the attention of a physician or in the instance of an employee who is hospitalized, nor shall such absences be counted in determining the number of periods or absences referred to in Article 24:03.

The employee shall also provide a contact number at which the employee may be reached. Where the employee's supervisor is not able to be reached, the employee shall leave a message with a contact number at which they may be reached.

The employer will, upon proof of payment, reimburse the employee for the cost of the certificate.

It is understood that the specific results of any examination will not be made available to the employer and that the medical report shall consist of either fit, or unfit for duty, or fit for modified duty as specified.

Dispute Over Medical Examination

24:10 Should a dispute arise between an employee and the Employer's Medical Practitioner as to the employee's fitness, the employee shall be referred to an independent medical consultant mutually agreed upon by the Union and the Employer. The consultant's opinion shall be considered the final decision as to the employee's fitness to continue to work at their regular occupation.

Workplace Safety and Insurance Benefits

24:11 An employee who is prevented from performing their regular work with the Employer as a result of an occupational accident that is recognized by Workplace Safety and Insurance Board as compensable within the meaning of the *Workplace Safety and Insurance Act* shall receive from the Employer the difference between the amount paid by the by Workplace Safety and Insurance Board and the employee's regular salary from the first day of the said accident. Payment from the Employer shall not exceed a term of fifteen (15) consecutive weeks for each accident compensable by the Workplace Safety and Insurance Board.

The weekly top-up payment will be calculated using the weekly EI benefit that would be payable to the employee (i.e. 55%) without regard to any election by the employee to receive a lower EI benefit spread over a longer period of time as may be permitted under the *Employment Insurance Act*. In no event will the top-up payment exceed the difference between 95% of the employee's actual weekly rate of pay in effect on the last day worked prior to the commencement of the leave and the sum of the employee's EI benefit calculated without regard to any election by the employee to

An employee must give two (2) weeks' notice of any change of the commencement of the pregnancy leave.
- d) If the employee has been on pregnancy leave for seventeen (17) weeks but the child has not yet been born, the pregnancy leave will end when the baby is born and the employee will be entitled to take a parental leave immediately after the birth. If an employee on pregnancy leave wishes to change the date of their return to work to an earlier date, the employee must give the University four (4) weeks' written notice of the date on which they intend to return. If the employee wishes to change the date of return to a later date (but subject to the rules concerning the maximum length of leave), the employee must give the University four (4) weeks' written notice before the date the leave was to end.
- e) In the case of an employee on a sessional appointment, or whose employment is limited to a defined term, any pregnancy leave will be limited to and not extend beyond the period of time remaining in the session or defined term.

- c) An employee who is entitled to a parental leave is required to give the University two (2) weeks' written notice prior to the commencement of the leave. If the employee does not specify when the leave will end, it will be assumed that the employee wishes to take the maximum leave in accordance with Article 29:01 a) i) or ii) as applicable.

An employee who has given notice to begin a parental leave may change the notice to an earlier date by giving at least two (2) weeks' notice before the earlier date, or to a later date by giving two (2) weeks' notice before the leave was to begin.

Dear Mr. Martin,

The Employer agrees that in the future all electrical construction work covered by the principal agreement between the Electrical Trade Bargaining Agency of the Electrical Contractors Association of Ontario and the International Brotherhood of Electrical Workers and the IBEW Construction Council of Ontario shall only be contracted, subcontracted, or sublet to contractors who are in contractual relations with the Union.

LETTER OF AGREEMENT: IMPACT OF EMPLOYMENT INSURANCE LEGISLATIVE CHANGES

August 8, 2018

Mr. Steven Martin
Business Manager
IBEW Local 353
1377 Lawrence Avenue East
North York, Ontario
M3A 3P8

Dear Mr. Martin,

During the 2018 round of collective bargaining, the parties discussed amendments to the *Employment Insurance (EI) Act* reducing the waiting period to receive benefits under the EI Act from two weeks to one week for pregnancy and parental leaves, as well as the impact of that reduction on the payments made by the University to employees taking pregnancy, and primary caregiver leaves under the collective agreement.

Under the terms of the collective agreement in place up to the current round of negotiations, the University compensated employees taking pregnancy leave and primary caregiver leave at 95 per cent of their weekly salary for the two week waiting period for pregnancy or parental leave benefits. Therefore, the legislative changes result in the elimination of one week of leave with 95 per cent of salary for such employees.

The parties agree that an employee who is entitled to and provided with salary during the one-week waiting period and top up pursuant to Articles 28:01(b) and 31:01 (d), will receive one paid week of leave ("Parental Transition Week") immediately following the end of their EI pregnancy or parental leave (the end of their combined leaves for employees who take both pregnancy and parental leave). This Parental Transition Week will be in addition to the leave entitlements set out in Articles 28:01(b) and/or 31:01(d).

During the Parental Transition Week, employees will be paid 100 per cent of their weekly salary, whereas the eliminated week during the EI waiting period had been compensated at 95 per cent.

Yours truly,

Alex Brat
Executive Director, Labour Relations

Dear Mr. Martin,

Subject to the exceptions identified herein, the Employer agrees that, in the future, it will not contract, subcontract or sublet any of the work covered by this Collective Agreement to contractors who are not in contractual relations with the Union.

It is agreed that this restriction does not apply to work covered by this Collective Agreement contracted out by Facilities and Services and Physical Plant Departments at the University of Toronto at Scarborough and the University of Toronto at Mississauga until June 1, 2006.

This agreement does not preclude the Employer from contracting out electronic controls work to service departments of manufacturers of original proprietary electronic controls equipment or systems who are not in contractual relations with the Union. However, the Employer will, wherever possible, provide training that may be required for members of the bargaining unit to effectively and efficiently service such original proprietary electronic controls equipment or systems.

Further, this agreement does not have any impact on work covered by this Collective Agreement in respect of which the Employer has already entered into a contractual commitment to contract out, such as existing maintenance and/or service agreements as of June 1, 2005.

For clarity, the obligations imposed in this Letter of Intent do not affect the obligations imposed on the Employer as set out in the Letter of Agreement: Future Electrical Construction Work.

A Member who has been appointed for less than the full calendar year shall be entitled to a pro rata amount for that year. There are no carryover provisions if the full \$2,000 is not used in any given year.
- 7) The terms "child care expense" and "eligible child" in this plan shall have the meanings given to them in subsection 63(3) of the *ITA*. The term "child" shall have the extended meaning given to that term in subsection 252(1) of the *ITA* such that, where used in this plan, the term "child" shall include a natural, step, common-law or adopted child or ward under the age of seven.

PART 2

- 1) Payments to be made by the University under this plan shall be paid solely out of the general operating monies of the University. The University shall not be required to contribute or set aside any amounts to a separate fund or account to satisfy its obligations under this plan, or otherwise secure its obligations under this plan.
- 2) The value of the annual eligible claims under this plan shall not exceed the total amount available in the plan pool. The amount in this plan pool shall be based on the total of the amounts apportioned to each of bargaining units participating in the pool. If pool membership changes during the life of this collective agreement, and the plan pool amount accordingly changes, the Union will be so notified.
- 3) The value of the annual eligible claims under this plan shall not exceed this annual plan pool. If, in a given year, the value of the eligible claims under this plan is greater than that amount, all claims will be reimbursed on a pro-rated basis.
- 4) All Unions participating in this plan pool will be notified of the amount in the pool at the beginning of each benefit year.
